

The Nigerian Institution of Facilities Engineering
and Management (NIFEngM)
(A Division of NSE)

INAUGURATION OF HER
5TH NATIONAL CHAIRMAN,
NEW EXECUTIVE COMMITTEE MEMBERS
&
PUBLIC LECTURE

Theme:

Facilities Engineering and Management
Innovation for Sustainable Blue Economy

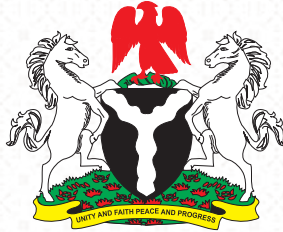

Saturday, 25th January, 2025
12:00 noon WAT

Venue:

Tokyu Grand Hotels, Off Stadium Road,
Port Harcourt, Rivers State

Engr. Christopher Anierobi Egwuatu
FNSE, FNIFEngM, FNSChE, SPE, MBA

THE NATIONAL ANTHEM

Stanza 1

Nigeria, we hail thee
Our own dear native land
Though tribes and tongues may differ
In brotherhood, we stand
Nigerians all, are proud to serve
Our sovereign Motherland.

Stanza 2

Our flag shall be a symbol
That truth and justice reign
In peace or battle, honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

Stanza 3

O God of all creation
Grant this our one request.
Help us to build a nation
Where no man is oppressed
And so with peace and plenty
Nigeria may be blessed.

Programme of Events

1. Arrival of Guests
2. National Anthem
3. Opening Prayer - 3rd Stanza of the National Anthem
4. Introduction and Recognition of Guests and Participants
5. Welcome Address - **Engr. Oladipupo Isiaka Mabogaje**, *FNSE, FNIFEngM* (Outgoing NIFEngM National Chairman)
6. Opening Remarks - **Engr. Margaret Aina Oguntala**, *FNSE* - NSE President
7. Citation of the Guest Lecturer: **Engr. Dr. Chief Innocent Akuvue**, *FNSE, FNSChE*
8. **Lecture:** *Facilities Engineering and Management Innovation for Sustainable Blue Economy*
9. Citations of the National Chairman
10. Inauguration of the National Chairman
11. Inauguration of New Executive Committee Members
12. Inaugural Speech: **Engr. Christopher Anierobi Egwuatu**, *FNSE, FNIFEngM*
13. Remarks of the Special Guests of Honor
14. Remarks of the Distinguished Guest of Honour
15. Goodwill Messages
16. Vote of Thanks
17. Closing Prayer - 3rd Stanza of the National Anthem

President, National Shippers' Association of Nigeria (NSAN)

PROFILE OF GUEST SPEAKER

ENGR. DR. INNOCENT I. AKUVUE who hails from Nibo Town in Awka South L.G.A of Anambra State obtained his Bachelor of Engineering (Hons.) in Chemical Engineering from Anambra State University of Science & Technology, Enugu (now Enugu State University of Science & Technology, Enugu), from where he was also conferred with a Doctor of Business Administration (Honoris Causa) in 2011. As a young chemical engineer, he joined GREENWAY INDUSTRIES LIMITED, Port Harcourt in 1988, where he attained the position of Plant Superintendent in charge of production, quality control, research and development, and the maintenance of the plants.

In 1992, he joined **FELLOWS CHEMICAL INDUSTRY LTD**, Port Harcourt as a Project Manager responsible for production planning, quality control and maintenance of plant facilities. In 1996, ENGR. DR. INNOCENT I. AKUVUE officially joined and assumed the position of Chairman/CEO of GGI INTERNATIONAL NIGERIA LTD, a company he earlier founded and incorporated in 1991 as a wholly indigenous company, offering top quality oilfield specialty & commodity chemicals, corrosion & asset management and

engineering services to clients in the Oil & Gas Industry. The company boasts of very big-sized warehouses of large volumetric capacities enough to hold stock of chemical products for a duration of at least 6 months to 2 years for her clients. Installed at both the Port Harcourt and Lagos offices are operational Production/Blending Plants adapted to churn out finished products and blend various oilfield chemical products, in line with the Federal Government of Nigeria's Local Content Policy. Functional QA/QC Laboratories exist in both facilities to ensure consistency in product quality and modelled to offer in-country quality control services. And as part of her drive to remain focused and efficient in her service delivery and quality solution provision without compromising standards & safety, GGI INTERNATIONAL NIGERIA LTD, under his watch has attained three (3) major international certifications in the industry. They include ISO 9001 (Quality Management System), ISO 14001 (Environmental Management System) and ISO 45001 (Occupational Health & Safety Management System).

As the Chairman/CEO, ENGR. DR. INNOCENT I. AKUVUE has steadily and successfully guided the company on the path of growth, attaining many major landmark achievements in her service delivery, promptly and satisfactorily completing major projects for the foremost IOCs and NOCs, notably TotalEnergies EP Nigeria Ltd, Shell Nigeria Exploration & Production Company Ltd (SNEPCo), Shell Petroleum Development Company Ltd (SPDC), Chevron Nigeria Ltd (CNL), Nigerian Agip Oil Company Ltd (NAOC), Esso Exploration and Production Nigeria Ltd (EEPNL), Mobil Producing Nigeria Unlimited (MPN), Nigeria LNG Ltd (NLNG), Port Harcourt Refining Company Ltd (PHRC), Kaduna Refining & Petrochemical Company Limited (KRPC), and the Warri Refining and Petrochemical Company Ltd (WRPC), etc. Thus, the company can aptly be described as an Upstream, Midstream and Downstream servicing company with an extended reach to the Exploration & Production, Drilling & Completion, Refining, Petrochemicals, Liquefied Natural Gas Sectors with very experienced personnel to support her operations.

ENGR. DR. INNOCENT I. AKUVUE has over the years been at the forefront of promoting Engineering in education and practice. He was a long-term member of the Governing Council of Enugu State University of Science and Technology, Enugu (ESUT) and member of the Board of Trustees ESUT Trust Fund. He is a COREN-Registered Engineer and Fellow of the Nigerian Society of Engineers (FNSE). He has been an active member of the Nigerian Society of Chemical Engineers (NSChE), rising to the status of a Fellow (FNSChE) and currently serves as the Chairman of Rivers/Bayelsa Chapter of NSChE. He is also a Fellow of the Polymer Institute of Nigeria (FPIN). He is equally a member of the Society of Petroleum Engineers (SPE), member, American Institute of Chemical Engineers (AIChE) and member, American Society of Mechanical Engineers (ASME).

In all the aforementioned memberships of his, ENGR. DR. INNOCENT I. AKUVUE has consistently and continuously made immense contributions to the growth of the subject organizations. Consequently, he has received several awards in recognition of his selfless service and dedication.

CHAIRMAN OF THE OCCASION WELCOME ADDRESS

The Nigerian Society of Engineers

WELCOME ADDRESS BY THE PRESIDENT OF THE NIGERIAN SOCIETY OF ENGINEERS AT THE INAUGURATION OF ENGR. CHRISTOPHER ANIEROBI EGWUATU, FNSE AS THE 5TH CHAIRMAN OF THE NIGERIAN INSTITUTION OF FACILITIES ENGINEERING & MANAGEMENT HELD ON SATURDAY, JANUARY 25, 2025 IN PORT HARCOURT

**Presented by Engr. Dr. Aluyah Dauda Okodugha, FNSE
Vice President (Professional Development)**

Protocols

Distinguished Ladies and Gentlemen,

I warmly welcome you all to this special occasion being the inauguration of Engr. Christopher Anierobi Ekwuatu, FNSE, as the 5th Chairman of the Nigerian Institution of Facilities Engineering & Management. I am elated that today marks a significant milestone in the journey of this vital Institution, which has continued to play a crucial role in advancing the practice of facilities engineering and management in the country.

I extend my warmest congratulations to Engr. Ekwuatu, FNSE, on this well-deserved honour. I am confident that your wealth of experience, commitment to excellence, and visionary leadership will undoubtedly propel this Institution to even greater heights.

At this juncture, I wish to state that it is actually appropriate that we emphasise the importance of facilities engineering and management always. The sustainability, efficiency, and longevity of infrastructure are critical to our country's socio-economic growth.

This Institution has a fundamental role in enlightening stakeholders to understand that our built environment need to be maintained and managed to meet global standards, while also addressing the unique challenges of our local context.

Let me commend the outgoing leadership for their dedication and accomplishments during their tenure. Your efforts have laid a solid foundation upon which the incoming administration can build.

To the new leadership under Engr. Ekwuatu, FNSE, I urge you to prioritise capacity building, professional development, and advocacy for policies that support the growth of facilities engineering in Nigeria.

I urge the members to support the new Chairman and Executive Committee for them to execute their assignment seamlessly. Once again, I wish you a successful tenure filled with groundbreaking achievements.

Thank you all.

Engr. Margaret Aina Oguntala, FNSE

President/Chairman-in-Council

Engr. Christopher Anierobi Egwuatu

FNSE, FNIFEngM, FNSChE, SPE, MBA

NIFEngM National Chairman

CITATION OF THE NATIONAL CHAIRMAN Engr. Christopher Anierobi Egwuatu

FNSE, FNIFEngM, FNSChE, SPE, MBA

Engr Christopher Anierobi Egwuatu, FNSE, FNIFEngM, FNSChE, SPE, is a seasoned and award-winning multidisciplinary Engineer with 24 years experience in the Energy industry of which majority are multi-billion-dollar engineering, procurement and construction (EPC) oil and gas contracts and projects ranging from subsea exploration and production (E&P) to subsurface well completion and intervention to surface and processing facilities. He serves as the Senior Manager, Business Development, Etopo Energy PLC, where he efficiently and effectively guided and positioned the business development department in prioritizing customer experience, optimizing value proposition, market forecasting, green energy transition, marketing research, green financing and investment decisions,

establishing opportunities for collaboration and partnership with major and vibrant industry players and regulators and developing avenues and strategies for emerging and new market penetration, diversification and sustainability. Prior to his current role, he served as Project Quality Assurance Manager on the NLNG T7 Project – LNG Jetty 3 and New Passenger Terminal Jetty Works being executed by the marine projects giant, China Harbour Engineering Company (Nigeria) Limited (CHEC) for Saipem Daewoo UJV (SDUJV) from 2022 to 2024, and delivered remarkable business value and fit for purpose projects through balancing competing demands of project scope, budget and schedule without compromising quality outcomes, zero tolerance, fitness for duty and the environment.

Engr. Chris served the Project Delivery Department of Nigeria LNG Limited as Project Quality Coordinator from 2017 to 2022. Chris is hands-on in creating robust and effective project quality management and continual improvement strategy in alignment with project quality management processes, viz; quality planning, quality assurance and quality control in accordance with statutory and regulatory international standards including ISO 19011:2018, ISO 10006:2017, ISO 10005:2018, ISO 13053-1:2011, ISO 17258:2015, ISO 18404:2015, ISO 9000:2015, ISO 9004:2018, ISO 9001:2015, ISO 14001:2015, ISO 50001:2018 and ISO 45001:2018, etc. for the realisation of flawless projects delivery. Engr. Egwuatu previously served Jolomi Engineering Services Limited, Warri from 2009 to 2017 as Process Engineer and doubled as Quality Management Representative, where he was deployed to challenging projects across disciplines at the Chevron Escravos Terminal managing and tracking project quality Key performance indicators (KPIs), developing and overseeing quality assurance deliverables and supervising quality control inspections, and rose through the ranks to the position of Project Quality Manager. He did his 6 months PTDF post training internship with Warri Refining and Petrochemical Company WRPC as Process Engineer with Power plant and utilities (PPU) of the Engineering and Technical Services department (ETSD) 2010 to 2011 under the NNPC NCD/PTDF local content engineering design training scheme shortly before NCDMB was established. His NYSC after graduating with second class honours upper division in Chemical Engineering was in the Oil and Gas Inspectorate; DPR Port Harcourt (now NUPRC/NMDPRA) as a Safety and Environmental Engineer between 2002 and 2003 built enormous capacity in HSE within that one year of his NYSC.

Young Chris moved to a Heavy Equipment and Power System Dealership, Tractor & Equipment Oregon (now Mantrac) in 2003 as Graduate Trainee and worked with the sales department as a Sales Engineer Trainee later was deployed to marketing department as Market Research Analyst upon completion of his probation period. That was when his passion, energy and drive for sales, marketing and business development took its origin. He also worked briefly with Avalon EPC Lagos before relocating to Warri in 2009. Christopher did his compulsory 6 months undergraduate internship 2000 to 2001 with Mecon Cosmetics Lagos with the production department and was deployed to the quality control unit, that's where he took interest in QA/QC.

The Nigerian Institution of Facilities Engineering and Management (NIFEngM) - (A Division of NSE)

CITATION OF THE NATIONAL CHAIRMAN Engr. Christopher Anierobi Egwuatu

FNSE, FNIFEngM, FNSChE, SPE, MBA

A Distinguished and Respected Fellow of The Nigerian Society of Engineers (NSE) conferred in 2021, The Nigerian Society of Chemical Engineers (NSChE) conferred in 2021 and The Nigerian Institution of Facilities Engineering and Management (NIFEngM) conferred in 2023 respectively. He completed his registration with the Council for the Regulation of Engineering in Nigeria (COREN) in 2009 and also a member of other professional affiliations including: American Institute of Chemical Engineers (AIChE), Institution of Chemical Engineers UK (ICHEME), Society of Petroleum Engineers International (SPE), Society of Energy Administrators (SEA), among others. Egwuatu is currently the National Chairman of The Nigerian Institution of Facilities Engineering and Management (NIFEngM) and the immediate past Sectoral Group Coordinator of Petroleum Upstream Sectoral Group of The Nigerian Society of Chemical Engineers (NSChE). He is concluding his Chartered Engineer (CEng) registration with the Engineering Council (EC) of United Kingdom. Engr. Chris is an IRCA Certified QMS ISO 9001, EMS ISO 14001, OHSMS ISO 45001 and EnMS 50001 Lead Auditor, AspenTech Certified HYSYS Design Engineer, NEBOSH Certified HSE Management Professional, NLNG Certified PTW Holder, ASNT Certified NDT Level II Inspector on five methods, Chevron Certified Fire Watch and Marine STCW & ISPS Certifications, etc.

Asides, his position as the then Deputy National Chairman of The Nigerian Institution of Facilities Engineering and Management (NIFEngM), he was also assigned other responsibilities of which he delivered diligently viz; Chairman Planning Committee 2ND IFEMCE/AGM/4TH FELLOWSHIP CONFERMENT (PORT-HARCOURT 2024), October/November 2024; Chairman Planning Committee Q1 2024 PUBLIC LECTURE/3RD FELLOWSHIP CONFERMENT, April 2024; Chairman Planning Committee 1ST IFEMCE/AGM/2ND FELLOWSHIP CONFERMENT (ABUJA 2023), November 2023; Chairman Planning Committee Q2 2024 PUBLIC LECTURE, June 2024, Chairman Planning Committee Q3 2023 PUBLIC LECTURE/4TH NATIONAL CHAIRMAN INAUGURATION/1ST FELLOWSHIP CONFERMENT CEREMONY, August 2023, among others. Engr. Chris is also affiliated to the Society of Petroleum Engineers International (SPE) Section 104, Warri Nigeria Section where he had served in multiple capacities across the section board and the Nigerian council demonstrating volunteerism, dedication and commitment to selfless service. He currently holds the position of Publicity Chairman at the section level and SPECares Chairman at the Council level respectively. He received the prestigious **SPE Alex Neyin Projects, Facilities and Construction Award – Nigeria Council** in 2023, **SPE Regional Projects, Facilities and Construction Award – Africa Region** in 2022 and **SPE Regional Health, Safety and Environment Award – Africa Region** in 2019 respectively.

Engr. Chris Egwuatu is a versatile and vibrant Enugu State University of Science and Technology (ESUT) trained Chemical Engineer, graduated in 2001 with Second class honours upper division and completed his M.Eng Chemical Engineering at Federal University of Petroleum Resources (FUPRE) with research focus on corrosion inhibition synthesis of nanoparticles from plant extract. He had previously earned two (2) master's degrees in Information Technology with major in intrusion detection systems and design and in Business Administration with specialization in entrepreneurship and start-ups from the National Open University of Nigeria (NOUN) in 2012 and Delta State University (DELSU) in 2014 respectively. Engr. Egwuatu is currently a Ph.D candidate continuing on corrosion engineering and inhibition efficiency research. His professional experience centered on viz: codes, standards and certifications, industry best practices and total quality management, risk and opportunities assessment and lessons learned implementation, management system audits and continual improvement, corrosion prevention and control, well completion, intervention and work-over, directional drilling, measurement while drilling, logging while drilling, mud logging and filtration, floating production storage and offloading vessels, topping plants, storage tanks, marginal fields, project development and construction management, wire-line, slick-line and e-line operations, skill gap analysis and capacity building, mentoring and nurturing young professionals and birthing future leaders, small-scale enterprise development and business process management. Engr. Egwuatu, is a team builder, a self-motivator, a silent achiever and enjoys engaging himself in multi-disciplinary and inter-disciplinary researches, attending conferences both locally and internationally, making presentations, consulting, developing process improvement and lean implementation strategies across broad endeavours, playing scrabbles, travelling and spending quality time with his family.

What a journey indeed!!!

This achievement is a testament to your exceptional leadership, dedication, and expertise in the field of facilities engineering management. Your elevation to this position is well-deserved, and I am confident that your tenure will bring significant growth, innovation, and progress to the institution.

To the newly elected Executive Committee Members, I congratulate you on your election and appointment. I am confident that you will work together as a team to achieve great things. Please accept my best wishes for a successful and impactful tenure. I look forward to seeing the positive impact of your leadership.

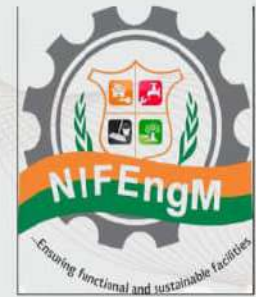

Congratulations once again!

Engr. Christopher A. Egwuatu FNSE,
National Chairman, NIFEngM

GOODWILL MESSAGE ON YOUR INAUGURATION AS THE 5TH NATIONAL CHAIRMAN OF THE NIGERIAN INSTITUTION OF FACILITIES ENGINEERING AND MANAGEMENT (NIFEngM)

On behalf of the entire members of the Association of Professional Women Engineers of Nigeria (APWEN), Bayelsa Chapter, I am delighted to extend our warmest congratulations to you, **Engr. Christopher A. Egwuatu FNSE** on his well-deserved inauguration as the 5th National Chairman of the Nigerian Institution of Facilities Engineering and Management (NIFEngM).

We are thrilled to see an intelligent, hardworking, and active member of the Nigerian Society of Engineers (NSE), Society of Petroleum Engineers (SPE) assume this prestigious position. Your track record, years of service, and dedication to the engineering profession make you the best fit for this role.

Your leadership skills, expertise, and passion for facilities engineering and management and engineering in general will undoubtedly take the institution to greater heights. We have no doubt that you will bring your wealth of experience to bear in driving the institution's objectives and advancing the interests of its members.

As women engineers, we are proud to identify with your achievements and celebrate your success. We believe that your appointment is a testament to your hard work, diligence, commitment, and contributions to the engineering profession.

Please accept our heartfelt congratulations, Engr. Christopher Egwuatu FNSE. We wish you a successful tenure and look forward to seeing the impact of your leadership on the institution.

Once again, congratulations!

Best wishes.
